

**SHREE RAM INTERNATIONAL SCHOOL
ANNUAL CALENDER
2026-27**

The Annual Academic Calendar is an essential document that reflects the vision, planning, and academic commitment of our school. It provides a well-structured roadmap for the entire academic session, ensuring that all scholastic and co-scholastic activities are conducted in a systematic and meaningful manner.

Our objective in preparing this calendar is to maintain a balanced approach towards academics, co-curricular activities, cultural programmes, and value-based learning. Each activity and event included in the calendar has been carefully planned to promote the holistic development of our students.

The calendar serves as a guide for students, teachers, and parents, helping them stay informed about important academic schedules such as examinations, holidays, competitions, celebrations, and various school programmes. It also ensures proper time management and smooth coordination among all stakeholders of the school.

Education is not limited to textbooks alone. Through debates, exhibitions, sports events, cultural celebrations, and community-based activities, we aim to nurture creativity, confidence, discipline, and leadership qualities in our students. The Annual Academic Calendar reflects our commitment to providing such diverse learning opportunities.

I sincerely hope that students, teachers, and parents will make effective use of this calendar and work together to make the academic session productive, enriching, and successful.

Let us move forward with dedication, discipline, and enthusiasm to achieve excellence in every sphere of education.

With best wishes for a fruitful academic year

PRINCIPAL

Month of April 2026

“Learning gives creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great”.
APJ Abdul Kalam
